## From the desk of Tyler Wriston:

We will no longer be doing temperature checks during the morning drop off. There are four reasons for this.

1. “CDC does not currently recommend universal symptom screenings be conducted by schools.”<sup>1</sup>
2. After doing this for the entire first quarter we did not have even a single student with a fever. Parents are already doing great monitoring symptoms and keeping kids home.
3. These temperature checks are ineffective in stopping the spread of COVID-19, especially when done outside in colder weather.<sup>2</sup>
4. Doing these temperature checks slows down the drop-off process.

Thank you,

Tyler Wriston

Principal

Calumet Christian School
