## PACKED LUNCH items for School Supplies

Hello Parents,

This may be helpful – as every year, we have a few kids who don't have what they need. We also have some unique situations this year (due to COVID) that will create a need for items that are not always planned for.

Lunch will be eaten outdoors AS OFTEN AS POSSIBLE. We anticipate having kids eat at picnic tables (Dwell Campus) on the hillside (at Calumet) and we'll consider other options as the year begins.

With the hopes that moving in and out of the building will be kept to a minimum, we ask that you prepare to send your child to school with the following items- daily.

- A well-sealed beverage
- Any utensils needed for their lunch (**no** utensils will be provided)
- Napkins – possibly a cloth napkin AND a paper towel/napkin (**no** napkins will be provided)
- Lunches will not be able to be heated
- Staff will be wearing and replacing gloves when any student requires help opening a package from their lunch. (Each time a staff member helps a student, they will be wearing a new pair of gloves.)
- There will **not** be a Pizza Lunch on Fridays until further notice.

Happy Prepping! We're looking forward to doing new things, and of course- seeing the students!!
